

HSA vs Traditional Health Plan CALCULATOR

This calculator is designed to help you compare a High Deductible Health Plan (HDHP) paired with a Health Savings Account (HSA) to a traditional health plan. By choosing an HDHP/HSA solution, you can often realize significant savings on insurance premiums and benefit from income tax deductions. Use this calculator to estimate your potential savings.

Access the [WEX Health Health Savings Account \(HSA\) vs. Traditional Health Plan Calculator](#) **HERE**.

The screenshot shows the calculator interface with the following elements:

- Buttons: **Calculate** and **View report**
- Note: *indicates required.
