

**Manage your healthcare accounts
from the palm of your hand.**

There's an app for that!

Want to check your healthcare account balances and submit receipts from anywhere? The **MEDSURETY Mobile App** lets you easily and securely access your health benefit accounts, submit claims, and upload receipts at any time. You'll have quick access to common tasks with an easy-to-use design that helps make sense of your health and financial information.

Stay Up to Speed

With **MEDSURETY MOBILE**, you can get to the healthcare information you need—fast. Wondering whether you have enough money to pay a bill or make a purchase?

MEDSURETY MOBILE puts the answers at your fingertips.

- Quickly check available balances and account details for Medical and Dependent Care FSA, HSA, HRA, VEBA, Transportation, and Premium Reimbursement Plans
- View charts summarizing account information
- Set account alerts and receive notifications via text message
- View claims requiring receipts
- Link to external webpages for helpful information, such as lists of eligible expenses
- Retrieve a lost username or password
- Use your device of choice—including iPhone, iPad, iPod touch, and Android smartphones and tablets

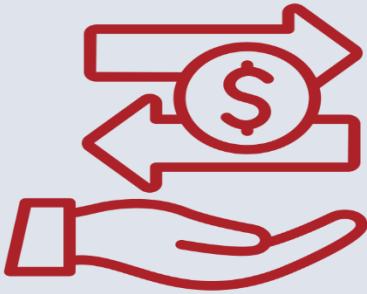

Tap and Take Action

Make a payment, capture a receipt, or take any number of actions—whether you're on the couch or waiting in line. With **MEDSURETY MOBILE**, you can get it done fast and enjoy the rest of your day:

- Submit claims for Medical and Dependent Care FSA, HRA, VEBA, Transportation, and Premium Reimbursement Plans
- Snap a photo of a receipt and submit it with a new or existing claim, or store it in your camera roll for later use when filing a claim
- Request a distribution from your HSA account
- Contribute funds to your HSA account
- Access your account funds to pay yourself or someone else, such as a doctor
- Add and store information for new payees
- Enter and view expense information and receipts
- Report a lost or stolen debit card

Imagine what you could do with MEDSURETY MOBILE.

Get Reimbursed Quickly

Let's face it – no one *really* enjoys visiting the doctor, dentist, pharmacy, or other healthcare provider. But sometimes you have to, and it's easy to forget to use your health benefits card. When you pay for a qualified medical expense out of pocket, you'll want to make the most of your dollars by getting reimbursed from your pre-tax account. File a claim with a receipt or request a distribution from your HSA soon after it happens—right from your phone, wherever you are. Get the payment process started.

Track Receipts

Why is it that the one receipt you need is always the one you can't find? With **MEDSURETY MOBILE**, you can record a health expense and capture the receipt the moment the transaction happens. That's peace of mind at the touch of a button.

Check Balances

Wondering if you can pay for an elective procedure or a mounting bill? Do a quick account check to see your current balance. No need to wait for an answer—it's right at your fingertips.

Get started with **MEDSURETY MOBILE** in minutes.

Download the **MEDSURETY** app for your device from the Apple App Store or Google Play. Then log in using the same password you use for the MEDSURETY consumer portal.
